

Training News

Over the summer we will be joined by two doctors in training. One has completed their first year since qualifying; the other has been a doctor for some years and will be in their final year of the specific training necessary to become a GP. When you call for an appointment, it is possible that you will be offered a consultation with one of these doctors. At all times they will be supervised by one of our experienced GPs so you can be confident in their care. If you prefer not to be seen by one of these doctors please let reception know and you will be booked with another clinician.
